

The following list is comprised of people whom the Circuit Clerk's Office has been unable to find in order to return money. These are people who posted bond money on a court case and at the conclusion of that case we could no longer find that person. These bonds would have been posted between 12/1/2006 through 11/30/2008. They are called 'Abandoned Bonds'. Abandoned Bonds will be turned over to the County Treasurer on 11/30/2011.

Until that time, if you are the rightful owner, you may claim your money by contacting our office at (217) 384-3725; we will then let you know what documentation you will need to provide to claim your money.

After that time, you can pursue your money from the County Treasurer or State Treasurer.
